Distribution Centre  
150 Rainside Road North York, Ontario M3A 1A3

Dear Mr. Berkel and  
Staff,

I want to take this opportunity to extend our heart-felt appreciation for all you have done for the Salvation Army. We found ourselves in a real difficult situation and you have willingly come to the rescue. We had secured a small warehouse on Colville to distribute our toys and food for our Christmas Program but somehow things did not come together as planned.

It was a small miracle that it happened to be on your street. We had already given our clients the address but we had no access to that building. You folk have unconditionally open your doors and hearts in order for us to get the job done without too much disruption.

Over the past two weeks we have served over 800 families, nearly 2500 children with toys, food and Turkeys, right in your own community. You could never imagine what this means to the Army and our staff and more importantly, the families we serve.

On behalf of all of us here we wish you and yours a very Merry Christmas and a wonderful 2007.

Many thanks,

Morris Samson  
Director of Distribution  
The Salvation Army Community and Family Services
